

Hear the news today, a child is born

The long awaited saviour
See the star so bright, that lights the way
To find the lowly manger
Come with us, to Bethlehem
Christ is born today

*Tell the world that God has come among us
Shout it loud that Jesus Christ is here
Celebrate the Lord of all creation
Hope for all the people everywhere*

Hear the angels sing, proclaiming joy
And heaven's hope eternal
See the baby boy
Whose birth and death will bring a new life for all
Come with us, to Bethlehem
Christ is born today

Tell the world
Shout it loud
Celebrate
