

**Lord, make me an instrument of your peace;**

Where there's hatred, let me sow your love  
Where there's injury, may I bring pardon;  
Where there's doubt, a faith from heaven above  
Where there is despair, may I bring hope, Lord  
Where there's darkness, let me show your light;

*I will live for justice*

*For freedom*

*For everyone across all the world*

*In my life show justice*

*Compassion*

*Love mercy and walk humbly with God*

Lord, may all my life be lived in service  
Reaching out where I can do some good  
In a world of hunger and oppression  
Help me have the servant heart I should  
Where there is despair, may I bring hope, Lord  
Where there's sadness let me bring your joy
