

One holy night, one shining star
Heaven lit up the darkness
Sending us hope, bringing us life
Jesus the Lord of all
God has so loved the whole world
Sending his only son

*One Christmas, One baby
One saviour for all the world
One Christmas, One purpose
One perfect sacrifice of love*

One holy truth, one blameless life
Heaven reached through our darkness
No other way, no other name
Could forgive all our wrong
God has so loved the whole world
Sending his only son

And our eyes at last shall see him
Through his own redeeming love
For that child so dear and gentle
Is our Lord in heaven above
