

***Roll up everybody for the Christmas train is coming***

*Get your ticket now for there's room for all on board*

*Time to change the points for a brand new destination*

*Journey on the main line with Jesus Christ the Lord*

Lord of heaven comes among us

Signals down a change of line

New direction, hope for ever

God's best gift to all mankind

God is with us, come and worship

Journey with the Lord of all

Hear the whistle, through the ages

Listen to the driver's call
